## *student life*

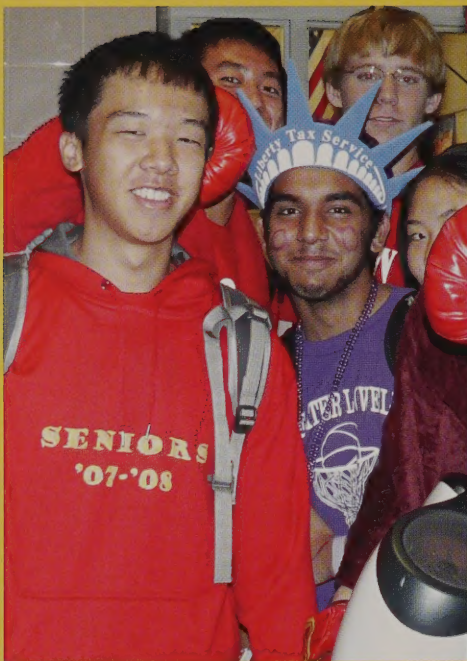

Student life extends beyond the classroom.

Shrewsbury students are involved in many in and out of school extra curricular activities.

Spirit week is a huge event at the high school. Each grade dresses in their class colors; this year Seniors are red, Juniors are purple, Sophomores are green and Freshmen are blue. These colors stay with the students during their 4 years. The final event of spirit week is field day. The whole school assembles in the field house for a variety of events. Seniors always make a grand entrance.

# SPIRIT WEEK

## Showing our Colonial Pride!

This year, our annual Spirit Week was held October 2-6, 2007.

The week started on Tuesday with Sports Team Day, where we wore shirts or other gear representing our favorite teams. On Wednesday, we took a step back in time to the decade of the 80s, wearing bright colors and a lot of hairspray. Thursday brought out the SuperFans for Blue and Gold Day, and Friday was Field Day. Students wore their class colors and competed in events like the relay, wheelbarrow race, and the popular Tug of War. Our Homecoming football game was Friday night, and we took the victory against St. Peter-Marian. The week ended with over 500 students enjoying the Homecoming Dance on Saturday night.

**Congratulations to the Varsity Football Team  
MIAA Central/Western Massachusetts  
Division IA Superbowl Champions**

SHREWSBURY - From bottom of the league to the darlings of Central Massachusetts, the Shrewsbury football team completed its remarkable turnaround on Saturday at Worcester State, defeating Westfield 21-17 in the Division 1A Super Bowl. The Colonials scored two touchdowns in the final four minutes to complete a dramatic fourth-quarter comeback and cap a perfect 13-0 season.

“We were battle tested and found a way to get it done 13 times,” said head coach Terry Waller. “In 10 of 13 games, it was close in the fourth quarter and we won every time. That’s the testament of a good team.”

Shrewsbury won one game in 2005 and just three last season. Waller knew he had a strong senior class this season, but admits he didn’t think the Colonials would still be standing in December.

“Did I ever think we’d be 13-0? I can’t say I did,” Waller said. “I thought we had the potential to be pretty good. The seniors were persistent all year and just put it all together. They never got rattled once.”

After Westfield scored with 8:04 remaining in the fourth quarter to go ahead, 17-8, Waller and company thought their chances at coming back were fairly bleak.

With temperatures well below freezing and the wind in their faces, the Colonials had their work cut out for them with just eight minutes left in the season.

Senior quarterback Jawad Yatim never accepted that his team was out of the game, however, and he led the troops on a 16-play, 86-yard drive to the end zone that finished with a 3-yard touchdown run by senior Alex Alvarez with 3:36 remaining.

“When you’re down nine in the fourth quarter and the wind is in your face, and you have to go 86 yards against a ball-control team, it could be tough. But this team is different,” Waller said.

After Yatim scored on the two-point conversion to make it 17-15,

junior kicker Paul Tizzano pulled off one of the biggest plays in Shrewsbury football history. With Westfield preparing for an onside kick, the Bombers stacked 10 tight and put one deep as Tizzano prepared to kick.

Reading the field, Tizzano pooched the kick down the field and Anthony Wright jumped on the loose ball to give the Colonials the shot they needed.

Shawn Loiseau and his family.

“Paul is just so smart. He made a perfect kick and Anthony got right on it,” Waller said. After getting the ball on the Westfield 34, Alvarez quickly reeled off a 15-yard run and then took it down to

the 10-yard line before getting nicked up and leaving the game. Fullback Shawn Loiseau carried twice down to the 1-yard line and Yatim completed the comeback with a 1-yard touchdown sneak to put Shrewsbury ahead for good, 21-17.

Michael Okaka, who scored a touchdown on a 57-yard catch in the first half, intercepted Westfield’s first pass of the game to seal the victory and begin the Shrewsbury celebrations.

Waller credits his senior class for turning the ship around in dramatic fashion this season, and says it will be a tall order for the underclassmen to emulate what the older guys did this fall.

“I’m hoping the sophomores and juniors get that winning is contagious,” Waller said. “They’re going to have to work awfully hard to match this. It was just one of those seasons where everything came together beautifully.”

The Super Bowl win is Shrewsbury’s first since 2000, when the Colonials beat Leominster, 22-21. This Shrewsbury team is the first to finish unbeaten since the 1946 squad that went 9-0-1.

The Science Department wins first prize in the pumpkin decorating contest... yuck!

## Pumpkin Decorating Contest

National Art Honor Society hosted a Pumpkin Decorating contest. Many of the departments in the school participated in the contest. These were displayed during lunch and anyone who wanted to, could vote. The Science Department won first prize with their anatomical pumpkin

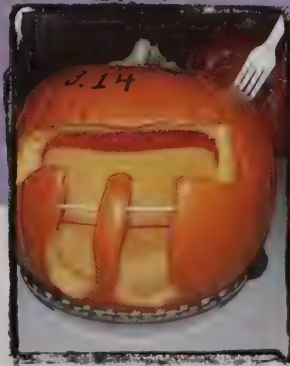

head. The brain and eyeball were exposed in this rendition of a jack-o-lantern. The Mr. Largess with a pumpkin head was a big favorite and won an honorable mention. The Math Department made a pumpkin pi jack-o-lantern....very clever!

This creation won Honorable Mention with the likeness of Ken Largess

Seniors have priveleges that underclassmen, and staff for that matter, do not have. They are allowed to eat their lunch outside. Many of the Seniors take advantage of this, especially on good weather days. There are a few that brave the weather when conditions aren't so good. We call them crazy.

Hayley Sund, Gabby Demac, and Katie Sacco

The number of underclassmen continues to grow in Shrewsbury each year. Presently, there are about 1600 students in the high school and more than three quarters are underclassmen. You could say, by the sheer numbers, that freshmen, sophomores and juniors rule!

faculty & staff

The faculty here at Shrewsbury High do more than just teach. They try to change the way students approach a subject, challenge their opinions, and break down concepts into real life applications. They do this all with enthusiasm, which only adds to the positive and supportive community at Shrewsbury High School. The staff at the school is an integral part of what makes the school run so well, from the secretaries and custodial staff to the kitchen employees and administration. The students here are lucky to have such a large and supportive faculty and staff.

We love Mrs. Granados, we hope she doesn't mind that we put her photo in the yearbook!!

# Dongzhimen School of Beijing visits Shrewsbury

Shrewsbury has developed a partnership with Dongzhimen Middle/High School in Beijing, China.

This year, we began an exchange of teachers, and we hope to expand the program to include student exchanges in the near future. In December, we welcomed five educators from Dongzhimen to Shrewsbury. Principal Shang Jinhua, English teachers Mr. Yang Jiming, Ms. Dou Shuying, and Ms. Guo Jia, and Geography teacher Er Dezhi stayed with Shrewsbury families, visited classrooms in every school in the district, and met with many members of our community to learn about Shrewsbury and our schools. In addition, our guests were able to learn about American culture by having a traditional Thanksgiving dinner hosted by Mrs. O'Leary, as well as by visiting many cultural sites in Shrewsbury, Boston, New York City, and Washington DC before they returned to China.

In April, Mr. Largess, Dr. Lowery, Ms. Wilkinson and middle school teachers Mr. Mularella and Ms. Wentzell made a return visit to China to experience the culture at Dongzhimen.

## Art students go to local Botanical Garden to draw

Students from a variety of art classes went to Tower Hill Botanic Gardens to draw and paint in the open air. Students had their choice of materials but they were required to work in both color and black and white. Many photos were taken so that artwork could be finished back in the art room.

You can't hide that Colonial pride! No matter what season it is, you can count on two things. First, that the Shrewsbury athletes maintain a high standard of hard work and sportsmanship. Secondly, that the super fans, inspired by the performance of the athletes, will be cheering themselves into a frenzy. Pride in our athletic teams only strengthens the Shrewsbury community.

John Thompson, everyone would agree, has nice legs!

### arts & clubs

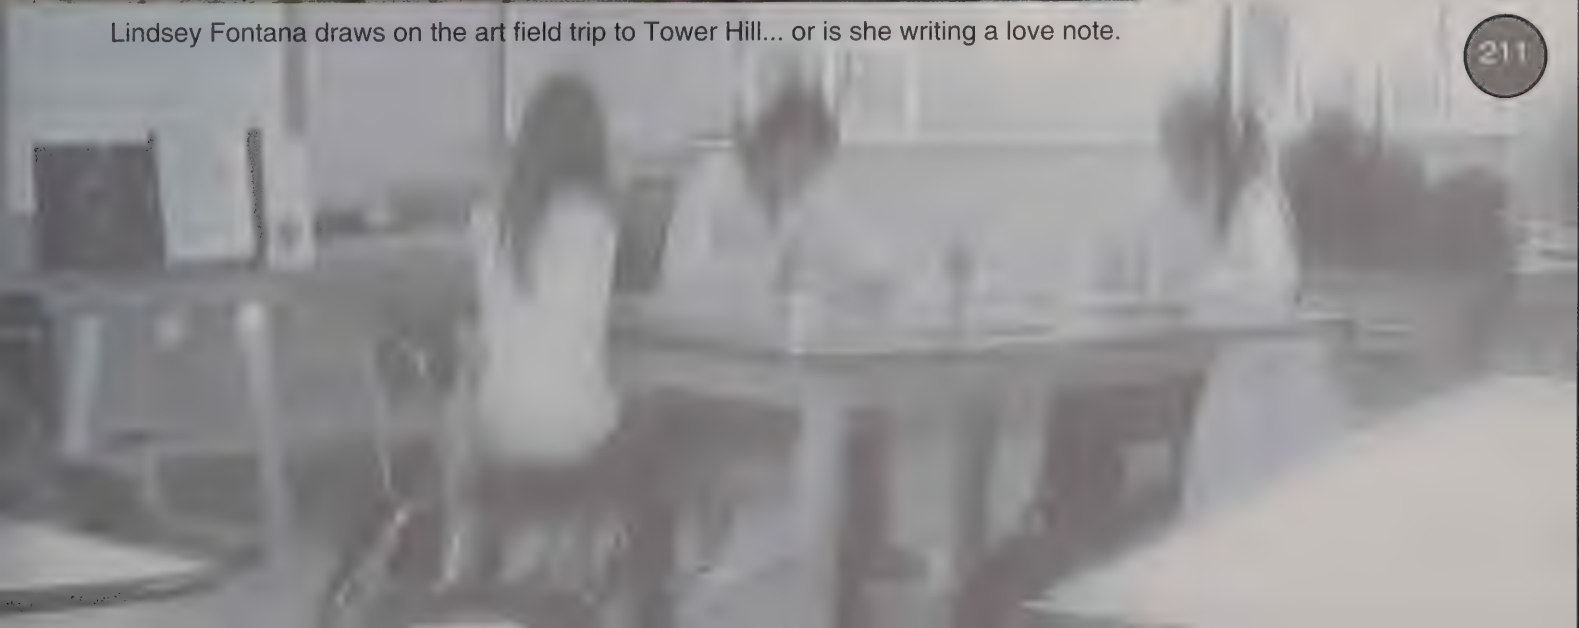

There are many offerings in the arts, both in music and the visual arts. Students are often performing and putting work on display. Learning also goes beyond the classroom and after-school activities are a great way to try something new. They enrich the lives of all students who participate in them and they also represent the diversity of interest and talent here at Shrewsbury High School.

Whether it is, yoga, chess, elementary tutoring, MECCA or anime, every student can find at least one way to get involved.

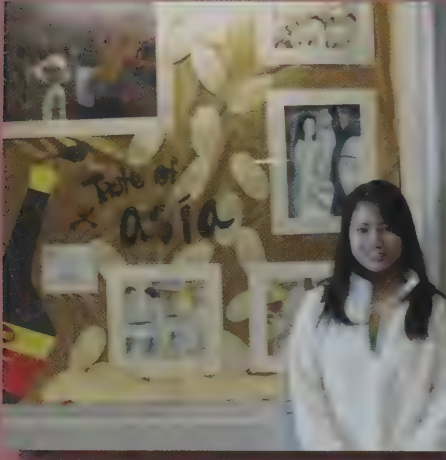

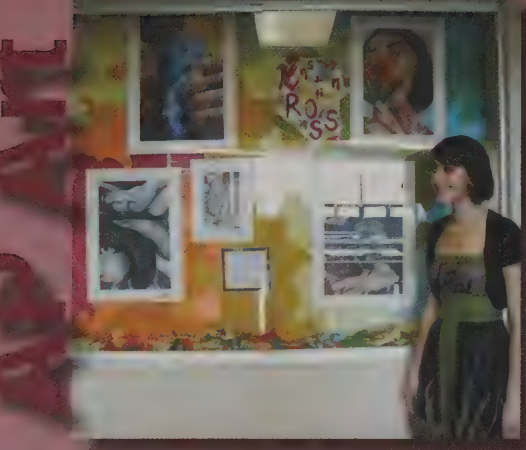

Lindsey Fontana draws on the art field trip to Tower Hill... or is she writing a love note.

Kristin Ross, Samantha Lipkin, Lan Nguyen, Gianna Padavano and Kimberly Warner are students who participated in Advanced Placement art. They each put up a display as part of their evaluation. The displays show their concentrations. Each student was required to pick a theme for their work for the year.

**A Note from the Advisor Raj Patel (March 18, 2008):**

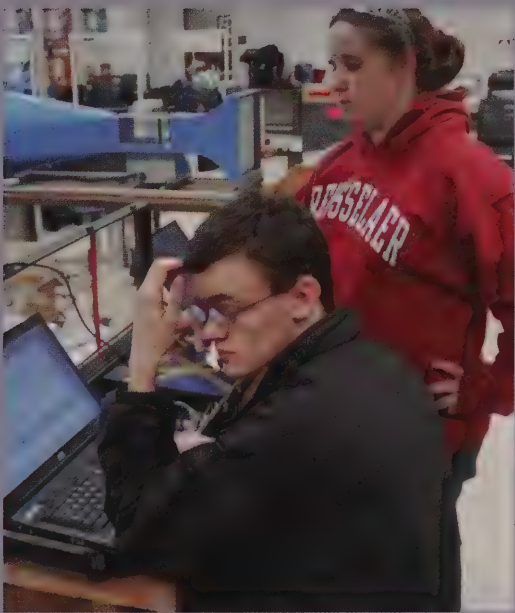

*“The SHS FIRST Robotics team did very well at the Connecticut Regional this weekend.*

*Friday March 14th - Day 1 of competition, we won 3 matches out of six. At the end of the day we ranked 21st out of 62 teams from all over the world. We were the only team at the regional to have a unibody robot, which made us stand out from the crowd. Along with are unibody robot, the teams work in the community greatly impressed the judges and gained us a Judges’ Award.*

*The Judges’ Award is given to a team which the judges feel exhibit special qualities that deserve to be recognized.*

*Friday March 15th - Day 2 of competition, we ended in 42nd place and were picked by Team 213, the Dirty Birds, of Keene, NH to join their 7th place alliance along with Team 1155, the Cyborgs. We were knocked out of the quarter finals by the 2nd place alliance of Team 230, Team 61, and Team 1991.*

*We should be very proud of every student on the team. They did an outstanding job representing the town of Shrewsbury and every company who sponsors them. They played hard and built an amazing robot. Although they did not win in the finals, they all stayed very positive. They got up and cheered for the other teams who fought for the championship.”*

We are so proud of having the most wonderful daughter and the best sister anyone could ask for. You lit up every room you walked into and made us smile when we were sad. In four years of high school you accomplished so much, and we know you will do great things in life. You are all grown up and going off to college, but you are still our little girl that loves her Frooti and our little punk. Love...Mom, dad and Prashanth

People succeed in as many ways as there are people. Some can be completely fulfilled with destinations that are much closer to home and more comfortable. But if you long to keep going, then I hope you are able to follow my lead to the places I have gone. To within a whisper of your own personal perfection. To places that are sweeter because you worked so hard to arrive there. To places at the very edge of your dreams.

I can speak for all of us when I say I'm so proud of you for making it to the end of High School! For as long as I can remember I've been trying to be like you or trying my hardest to beat you in whatever we're doing. I love having you in my life to look up to. Good luck in college and also expect a call from me every night asking how your day was!! I love you and Good Luck!!

Darryl,

Who would have ever thought that the little boy, who scooted around on the floor making weird noises, would grow into a handsome young man who still makes weird noises?

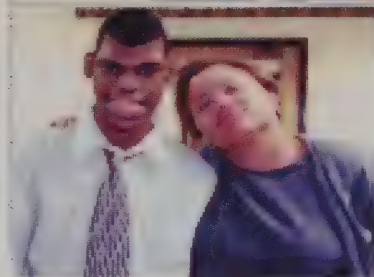

The day you were born was truly a blessing to our family. God sent you to us for a reason. Your presence alone has inspired and touched us in so many wonderful ways. You may never understand the impact you've had on all of our lives, but just know that you're our miracle and you've enriched our hearts and souls. You're done scooting... now just continue to RUN!

Love always,

Mom, Kendra, Auntie Jackie and Auntie Nana

D, my baby brother,  
I honestly don't  
know what I would  
do without you.  
Everyday you  
continue to amaze  
me and I am so  
proud to call you my  
brother. I love you  
and will always be  
here for you!

As we sit here today choosing these pictures, we can't help but think how quickly the years have passed. In a blink of an eye our baby girl has grown into a young woman. We are so proud of who you are today - your passion; your values; your respect for others; your love of family; and especially your understanding that you can achieve anything you want in this life as long as you pursue it passionately. We have treasured our time with you over the years and we hope that we have shown you just how special you are to us.

Mom will always think of you as her "special girl" and Dad will always remember you as "the baby", that is who you are to us and always will be. We are proud of you today as you graduate from High School. You've worked hard and received good grades, and you've learned many of life's lessons along the way, and that is what is most important.

We know that you will achieve greatness in your future endeavors and if you ever need someone who loves you unconditionally, we will always be there for you.

We love you to the moon and back again.

"If"

If you can keep your head when all about you  
Are losing theirs and blaming it on you,  
If you can trust yourself when all men doubt you  
But make allowance for their doubting too,  
If you can wait and not be tired by waiting,  
Or being lied about, don't deal in lies,  
Or being hated, don't give way to hating,  
And yet don't look too good, nor talk too wise:  
If you can dream—and not make dreams your master;  
If you can think—and not make thoughts your aim;  
If you can meet with Triumph and Disaster  
And treat those two impostors just the same;  
If you can bear to hear the truth you've spoken  
Twisted by knaves to make a trap for fools,  
Or watch the things you gave your life to, broken,  
And stoop and build 'em up with worn-out tools:

If you can make one heap of all your winnings  
And risk it on one turn of pitch-and-toss,  
And lose, and start again at your beginnings  
And never breathe a word about your loss;  
If you can force your heart and nerve and sinew  
To serve your turn long after they are gone,  
And so hold on when there is nothing in you  
Except the Will which says to them: "Hold on!"

If you can talk with crowds and keep your virtue,  
Or walk with kings—nor lose the common touch,  
If neither foes nor loving friends can hurt you;  
If all men count with you, but none too much,  
If you can fill the unforgiving minute  
With sixty seconds' worth of distance run,  
Yours is the Earth and everything that's in it,  
And—which is more—you'll be a Man, my son!

By Rudyard Kipling (1865-1936).

Jeff,

We never could have dreamed that you would become the young man whom you have become. You are a kind and loving person who would help someone in need. Take all the lessons of life you have been taught and make it work for you. It is those foundations your Dad and I have instilled in you since you were born that will aide you in making the right choices for you to pursue your dreams. Reach for the stars as they are yours for the taking. We love you and are proud of you. You always have our support even if we don't always agree. Congratulations.

With much love,

Mom, Dad and Mike

ps. Your brother is proud of all you have accomplished too; although he would never admit it.

I'm so proud of you! I always known how smart, beautiful inside and out, strong mentally and physically you are. You've had so many challenges being an African American young lady in Shrewsbury School system, but still you manage to grow. It sometimes takes adversity to grow into a beautiful person. You have always been very respectful to people of all backgrounds. I'm so happy I can say that about you. You have the mind of a genius. You can be whatever your heart desire. Second born, but never second best!

What a joy you have been and continue to be. With your bright smile and generous spirit, you have always amazed us with your kindness, determination and loyalty.

Be true to yourself and "stand tall".

We are so proud of all you have achieved and the beautiful young woman you have become, but you will always be "ODBG", it says so on the locket.

All our love, mom and dad

Ps: you do not suffer from "ocs"

Ashlyn  
Words can't begin to express how proud I am of you and all that you have accomplished.

You have grown into such a remarkable, beautiful intelligent young woman. No matter how many insults we exchange or brawls we throw down, you will always be my best friend.

I'm going to miss our "never to old for sleepovers" and our infamous sister movie and Sundae nights.

You, my dear sister, have been my inspiration, hero and best friend.

Thank you for always being my shoulder to punch or most importantly a shoulder to cry on.

Good luck in all that you do and never regret a decision you make because at one point that was what you wanted.

Take all of the opportunities that life gives you and run with them.

You can be anything you want Ashy and if you happen to fall along the way don't be afraid, because

I will be right there beside you to pick you back up!

To my daughter Brooke,  
I sit here and cannot believe i'm writing this to you as you are graduating from high school.

I look back and cannot believe we have the years gone. I have been so proud of you in every possible way. As a young girl you went through a very difficult time and you turned out to be an amazing person. You have been a great example of what a big sister should be. As hard as it will be to see you off to college this fall, I will only want the best for you. You have worked very hard to get to the next step of your life. You are a shining example of what any parent would want their daughter to be. Your dad would of been so proud of you, You also have a family who loves you very much. I am so proud to be your mom,

Brianna,

Watching you grow from a shy little girl to a confident young woman, whom we are so proud of, was such a gift. You are not only bright, hard working and motivated but the most kind, caring, and compassionate person we have ever met. You truly cherish your family and your friends. It's like you're an old soul who figured "it" out a long time ago when it takes most of us a lifetime. You always make time for everyone and have a special quality that people are very drawn to.

We know you have big dreams for your self and we have all the faith in you that those will come true. You are the kind of person who will make a difference in this world and as far as we are concerned you have already made your mark. Everything you do from here is just icing on the cake.

We wish you true happiness in all that you do in life and will always be here for you!

It's been a crazy ride, but a ride that we'll never forget. College is not the end of our childhood, it's just the beginning of something else. When we think of a perfect sister, all of the attributes you possess fall right into place; selfless, compassionate, protective. Never lose your dedication and commitment, because it's what has gotten you to where you are today. We know we've put you through a great deal of criticism, sarcasm, and "tough love", but never forget that you are a very special person.

Edwin,  
Finally! After years of working and preparing your time has arrived!! Over the last 12 years, you have made your entire family extremely proud of you. Yes, you have accomplished many great feats in sports but that is only a fraction of our pride. Your sense of humor, love and loyalty of family and friends is what we are most proud of. Thanks for all the excitement and entertainment you have given us and will continue to give us over the next four years at Boston College.

You have grown into a beautiful young woman, someone who loves life, and is full of fun and vitality. With every class you have mastered, every race you have won, and every piece of art you have created, you have made us so very proud. Great things are on the horizon for you, keep living life to the fullest. Work hard, use your many talents, and pursue your dreams.*

*We have had so many great memories together, and there will be so many more to come. No matter what, you have always been there to put a smile on my face; whether it is with your big bear hugs, or with your knack of knowing just what to say to make me laugh. Our trips to Maine and the Cape are unforgettable, walking around Kennebunk, or our "date" night, never being able to make a hole in one. It seems like yesterday we were little kids just learning how to share with each other and never wanting to be around each other. Now you are graduating from high school and I can't explain how happy/proud I am of you. I know that no matter what path you choose in life, you will always be able to make the people around you happy, no matter the situation. Congratulations Allison! You will always be my little sister=)*

*Love Always,  
Ryan*

Kelsey Rose,

Congrats on making it through high school, I'm very  
proud of you. Through our five years, I've learned that  
you are such a wonderful person with a lot of heart.  
Value what you have overcome and done, which has  
made you the strong and passionate person you are.  
Let nothing hold you back from your dreams because  
anything is possible with the courage you have. I'll  
always be here for you, through thick and thin, with a  
shoulder to cry on or just a person to talk to. Stay  
positive and good luck in your future...like you said:

## CHRISTOPHER~

You have brought us such joy since the day you were born. We treasure the years we have had of watching you grow into the mature young man you are today. We know you are strong enough to meet life's challenges head on as you have already triumphed over adversity many times and have emerged stronger because of it. Although we will miss you greatly when you are away at college, we look forward to watching you as you continue on your life's journey. We will always be there for you.

All our love,  
Mom, Dad and Michael (and Bailey)

To our nature loving, answer seeking, rule questioning Colin. Our wish for you is to find a life that embraces your individuality and uniqueness. As a kindergartener, your loving teacher counseled us on how to best embrace the child you were. Her words of wisdom have followed us through our journey of parenthood. She said, "Colin is a swan, our world is filled with ducks. Support Colin so he may become the swan he is meant to be". You have chosen the path less traveled, and as Robert Frost so aptly put it:

*I shall be telling this with a sigh  
Somewhere ages and ages hence:  
Two roads diverged in a wood, and I—  
I took the one less traveled by,  
And that has made all the difference.*

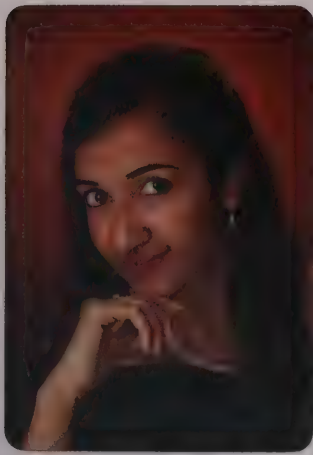

We support you on your journey through life and have unrelenting faith that the world will be made better by your contributions. Continue to skate through life and realize that every turn is meant to be savored and enjoyed. Have passion and life will remain interesting.

We love you and support you, always,

What can we say about how far you have come and on how proud you make us feel with all your accomplishments, personality, and the young lady you have become. We wish you the best during your college years and years to come, although luck has definitely shown to already be on your side. We all knew from the very beginning you were one smart cookie when you figured out that when Vidhi and I said "mug" it meant "gum" in our secret sister code. We all love you very much and will always be here for you. x\*o\*x\*o\*

Ashley Marie,  
We said a prayer when you were born, "Lord help us  
from this day on, grant us the patience and wisdom we need  
to give Ashley the tools she needs in life". From the  
day you opened your eyes, the first steps that you took, even  
the first words you uttered, you have been our pride and joy  
we couldn't have asked for a better daughter. You have made  
all our dreams come true and we couldn't be more proud  
of you. Remember you will ALWAYS be our little girl and  
we will always be there if you need us. We Love You

**C**ongratulations to Jon Evangelou, Mike Okaka, Samvaran Sharma, Steve Tarpey, Dan Conley, Jack Burke, Matt Hutchinson, Paul Tizzano, Santiago Miret, Ed Mahan, Kunal Chawle, Lindsy Panarelli, Liz Ford, Jen Boulay, Erin Simone, Holly Ouellette and Mike Roderick, for their fabulous playing and win against the faculty

team. Also, congratulations to Kelly McKenna, Pat Russell, and John Phillips for their amazing coaching skills that led to the student victory. Although the basketball game was a major part of the pep rally, the cheerleader and gymnast flip contest was impressive, as well as the performance by our SHS dance team.

GRADUATION

Along with Mrs. Cobb and Ms. Wilkinson, many people helped create the Shrewsbury High School 2008 Yearbook. Mr. Clough and Mr. Marchand took photos at many of the school events which appear in the yearbook. Hilton Photographers took the school portraits as well as many of the candid and group shots. Students also contributed by submitting photos.

The theme of the 2008 yearbook is Focus.

Students kept the theme in mind when creating layout pages and text. The divider pages were created by adding a radial blur in Photoshop, emphasizing the central focus of the image.

The entire yearbook was created using Adobe InDesign and Adobe Photoshop. The cost to print the yearbook was \$56,570. The publisher of the 2008 book is Walsworth Publishing Company. Michelle Sidwell is the Shrewsbury representative for Walsworth. This year

Walsworth allowed SHS to pilot a new online supplement, in conjunction with a traditional, printed version. This can be viewed at [www.classscene.com](http://www.classscene.com). Identification and passwords are given to students who purchase a yearbook for full access to the site.
